Professional Experience

Extensive experience including experience as a District and Supreme Court appointed Arbitrator and Referee. Frequently retained by Government and private parties to mediate or arbitrate commercial disputes. I remain a registered pharmacist. Formerly I was an inspector with the Commonwealth Department of Health and also with the Therapeutic Goods Branch (Commonwealth). At university I studied pharmacology and was a tutor in pharmacology. Consistent with my experience in pharmacy and the law, I have been a consultant to Bond University's Centre for Forensic Excellence.
