

NUALA SIMPSON

INTRODUCTION

While I accept briefs in all areas of commercial law, I have special expertise in complex and high-value engineering & construction disputes and representative (class-action) proceedings. I am briefed by Sydney and Brisbane based firms and I have chambers in both cities.

I regularly appear in the Court of Appeal New South Wales (led), the Federal Court of Australia, the Supreme Court of New South Wales and in private arbitrations and in mediations. I also appear in the Supreme Court of Queensland and the Supreme Court of the Australian Capital Territory.

Before coming to the bar in 2010, I practiced as a solicitor working for Mallesons Stephen Jaques (now, King & Wood Mallesons) in Sydney and Freshfields Bruckhaus Deringer in London.

I am recognised by my peers as one of Australia’s best lawyers in the areas of “Construction and Infrastructure” (Best Lawyers Australia, (2018 – 2013)) and “Litigation” (Best Lawyers Australia, (2018 – 2016)), rated as “pre-eminent” in the area of “Construction and Infrastructure Law” in Australia (Doyles Guide, (2018 – 2016)) and listed as one of the preferred juniors in construction in the country (Chambers and Partners, 2017).

I was named “Junior Counsel of the Year, Australia” in 2013 by Lawyers Weekly, Australia.
